

ICA Netherlands Report from Jeske de Kort <jeskedekort@gmail.com>

Hey there,

We are not super active at this moment. But we did several trainings (for professors on how to facilitate groups of students) and facilitated sessions for the Haagse Hogeschool (University of the Hague) and are guiding a PSP for MVO Netherlands. By the way our sticky wall sales increased big time :), so if countries are not selling it yet, it's worth it!
